## The Neighbors Column

John Mitchell P&Z Chair

**523 tree petitions (out of 616 delivered to homes) were signed** in an effort to demonstrate interest in preservation of FH trees. The petitions were hand carried to the office of Theresa O'Donnell, Director of Development Services, at Dallas City Hall on October 11th.

The purpose of the petition is to raise awareness and strengthen existing ordinances protecting our trees. A special committee leading this effort is headed by John Mitchell, P&Z board chair. Mitchell's position is consistent with that of many residents who want to monitor builders' efforts during the construction process. This position is not an advisary position, but a partnering decision made by the FH board. The goal is to protect as many trees as possible while still supporting natural development of this rich community.

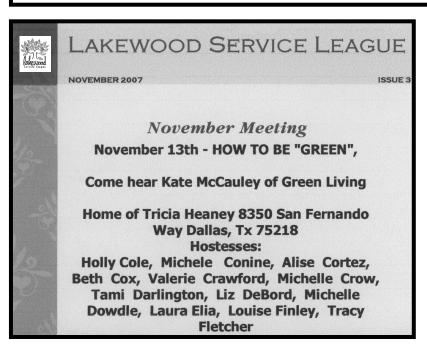

To view the original ordinance, go to www.dallascityhall.org and click on section 1356/tree preservation.

Where have your donations gone? We collected approximately \$700.00 in donations to save the trees. This money was immediately funneled into beautification coffers. We will soon be planting trees donated by the city and others purchased by the FH board.

What happens next? Fortunately, we have plenty of support from the city. We are in the process of examining the PD (planned development) layout document. Ultimately, existing loopholes in the ordinance will be re-written to benefit the FH community in the effort to protect our trees from being cut down.

Special thanks to each and every participant for their signature. Additionally, thank you for your financial contributions. Your efforts will go a long way in keeping the "Forest" in Forest Hills.

## IT COULD HAPPEN TO YOU!

Crime Really Hits Home

— by Debbie Knight

On Friday, October 5 at 2:30 p.m. my sense of safety and security was shattered along with my front door when two men forced their way into my home. The house had only been empty for an hour. I'm the one home during the day. I know and watch out for my neighbors. I subscribe to the neighborhood security program. I have lived in my home for over thirty years with no problems. I have always felt safe, but I am cautious. I keep my doors and gates locked. I don't open the door to strangers.

Two men entered my home and walked through opening every drawer and closet, turning on every light, touching everything that did not belong to them. They took all my jewelry including my wedding ring that I was not wearing that day. Thirty three years of birthday and anniversary gifts from my husband gone in five minutes. Money cannot replace the love and sentiment attached to each piece they stole from me.

A neighbor across Lakeland heard a loud boom and came out to see what it was. He noticed an unfamiliar car in my driveway and stayed on his porch to watch. When he saw two men come out of the house struggling with a large, heavy television he called the police.

I'm thankful they didn't steal everything. I'm also worried that they know what was left behind and they may come back for more.

Forest Hills has had six burglaries in six weeks. They kick in the front door and only stay in the house five to eight minutes. Some of these homes had alarm systems. They can grab and be out before the police are summoned.

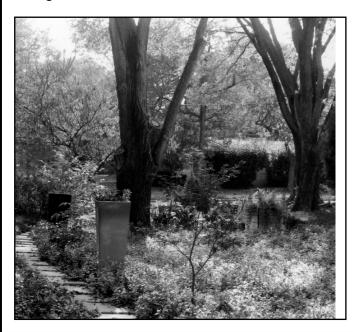

I'm angry and I feel violated. I'm angry that these men took what belonged to me. I'm angry that I no longer feel safe in my own home. I'm frustrated over the hours spent repairing the damage. And I'm deeply saddened that I now sleep with a loaded gun by my bed.

I want to urge each household to contribute to the security program. Our off-duty police only patrol in our neighborhood twenty hours a week due to low participation. If each household paid twenty dollars a month we could greatly increase the police presence in our neighborhood. Set your payment up on-line. You can pay quarterly, semi-annually or yearly like I do.

PLEASE DON'T WAIT FOR IT TO HAPPEN TO YOU!

# Yard of the Month

John Sadler and Abbie Meyering at 8407 San Pedro Parkway (corner of San Pedro and St. Francis) are recipients of the Yard of the Month for November. Not only is the front yard beautiful, be sure to check out their large back yard with the many beautiful plant specimens — truly a wonderful garden space! Congratulations!

# FH Team has "Bench Strength"

We regret the error. Pictured above is Mike and Kelly Miller.

# Man Bit By Copperhead at White Rock

Local neighbor Steve Dollar was walking with his two children days ago, when he was bitten by a copperhead. He was walking through mowed grass in Tokalon park.

This is a warning to local lake lovers, to be careful when visiting the lake park area.

Also, go straight to Baylor hospital if you are bitten. Doctors Hospital does not have the antivenom necessary to aid you.

### NUMBER OF SECURITY SUPPORTERS DOWN

— by Judy Whalen

As of November 5, The Forest Hills Security Program has only 176 households (out of 600 plus houses in Forest Hills!) who have pledged to keep crime down in the neighborhood.

Please look on the following list of households who are current through 4th quarter (Oct, Nov, Dec). If you do not see your address, please use the application below to send in your pledge today to keep this successful Security Program of providing off-duty police patrols and house checks for your Forest Hills.

November and December is a high crime activity time. The program needs a higher percentage of participants to keep this valuable program.

## SANTA CLARA CULINARY CHAMPIONS

— by Judy Whalen

Have you ever wondered what it would be like to create a new dish and win a ribbon at the State Fair of Texas? Well now you can ask a couple of your neighbors, Chloe Courtney and Leeann Hodge. "We thought it would be fun to enter something in the fair and the Spam Cook-off seemed like a good idea," said Chloe. They made a slight variation of the traditional corn-husk wrapped Mexican dish: Spam-ales. Leeann explained, "We wanted to try some different things, some

were good and some were bad." Chloe laughed and said, "We didn't know how long to cook them. We kept trying to eat them but the corn husk was too tough so

we tried cooking it longer." When asked if they thought they would do well in the contest, they shared "I knew we'd do well and win something. It was fun watching the judges faces." If you see them on Santa Clara, be sure to get their recipe and ask to see their 3rd place ribbon.

This is Santa Clara's Mary Ehrenberger's fifth year to enter her many prizewinning recipes into the Texas State Fair Competition. She really scored this season! 17 ribbons, 2 Best in Shows and 5 honorable mentions! In this photo, she's wearing the second place pink ribbon her Southwest Grilled Chicken pizza snagged in the "Fleischman's Yeast Bake for the Cure" and she's holding up the ribbon she is most proud of . . . Third place over all for "Best Competitor of the Year." Quite an honor! All of her creative recipes will be placed in next year's 2008 State Fair Cook Book.

#### CONTACTS FOR THE FOREST HILLS ANIMAL ALERT! PROGRAM

# NEIGHBOR'S CAREER GONE TO THE DOGS

Submitted by: Judy Whalen

Meet Forest Hills neighbor, June Michel who has lived on San Pedro since 1994.

June's creative passion placed her into the field of graphic design and illustration for many years. During those successful years, her love of animals kept tugging at her heartstrings until it finally pulled her away from the

drawing board into the workplace of a local animal shelter. After spending some time seeing all the sadness, fear and total neglect of the abandoned pets, she knew she couldn't save ALL the animals, but discovered she could do things to make their stay less terrifying. She could give them the soothing tone of her voice, a clean blanket and a plush toy to snuggle up to. This experience and her first rescue dachshund inspired her to combine her two passions; her talent as an artist with her need to find a way to make all animals feel special.

Visit your neighbor, June and Ruff Stuff at <a href="https://www.ruffstuffdog.com">www.ruffstuffdog.com</a>.

THIS MONTH, WE WOULD LIKE TO GIVE THANKS TO: Mr. & Mrs. Kenneth Sherman, Highland Park Animal Hospital, Operation Kindness, Animal Rescue of Texas, Preston Forest Village Animal Clinic, Dr. Ken Cantrell and the staff at East Dallas Veterinary Clinic, Dr. Norris at Buckner Terrace Animal Clinic, the Forest Hills Security Patrol gang, the Forest Hills mailmen, Melodie Young, Paige Anderson, Andie Comini, Neoma Twining, Patty Goya, Neal Farris, Julie Dunn and Ron Ballantyne.

The garden club met at Mary Deighton's house on Thursday November 1st. Topic for the evening was Sustainable Farming and how and where to buy "local" produce, cheeses, meat, etc. The speaker for the evening was Tom Spicer (Spiceman) who is a local food broker and has a shop FM 1410 (farm to market) located at 1410 Fitzhugh near Bryan. Tom's shop has a wide range of local and unusual produce available and sells organic produce from Stonewall Jackson Elementary School. It was a fun informative evening.

The next meeting for the garden club will be in the evening in January. We will have our annual belated Christmas party at that time. More to come in the December newsletter.

#### WHITE ROCK EAST GARDEN & ARTISAN TOUR - A CALL FOR GARDENS AND ARTISANS

Forest Hills will be participating in this tour again next year and we are looking for three gardens. If you would like your garden to be included or would like to nominate a neighbor please call Barb Michaels -214-327-3817. A specific date has not been set but the tour will be sometime in May. We had great attendance last and hope to exceed that in 2008. Proceeds from last year's tour (approximately \$2500.00) went to the beautification committee. We hope to do even better next year.

If you would like to participate as an artisan please contact Lottie Minnick — 214-320-3868.

## LETTER TO THE EDITOR:

Neoma Twining Newsletter Editor

#### **Dear Editor:**

Can I extend a special thanks to our board. If no one has noticed, this group of people have worked extraordinarily hard to get things back on track for all of our neighborhood. From the benches, to the socials, to the way information gets to residents. I think it is exceptional and want to say thank you.

#### Response:

Volunteering is not an easy job and those who decide to volunteer should enter with a happy heart. Thank you for the kind words extended to our board. If everyone does a little, it can mean a lot for all of us who live in this community we call, "Forest Hills." Thank you.

### HE WINTER ART FAIR

Saturday, December 8, 2007 • Time: 10:00am-6:00pm Alex Sanger Elementary • 8410 San Leandro @ St. Francis (Mapsco 37Z) Admission: Free (donations accepted)

Making a stop at the Alex Sanger Winter Art Fair is a MUST this year. What better way to find unique and wonderful holiday gift items, for yourself or others, while helping fund academic and campus improvements for the children at Sanger Elementary.

Celebrating it's 9th year, this show is known for an eclectic mix of quality original work, like fused and blown glass, textiles, ceramics, paintings, jewelry, hand made soaps, candles, botanicals, photography and much, much more. There is certainly something for every taste and budget.

This year's event chair, Sabrina Jones says, "I think this will be the best Winter Art Fair ever. We

have a huge following and I'm already getting calls wanting to know when the show will be. There are several friends and neighbors who called to say they do all their holiday shopping at our show." Sabrina continues, "It just tickles me to hear that. We are proud of what we are doing for our neighborhood school."

In the past, funds raised from this event have built a new playground, supplied scoreboards and timers for the PE coaches, a piano, area rugs for the kindergarten classes, art supplies, tables, educational books, teaching tools and much more.

Please come, have fun, shop and support our school by attending this worthwhile event.

#### LET'S TALK REAL ESTATE

with Jenny Capritta

#### THE ELEMENTS OF LOCATION

When you are in the market for a home, how should you evaluate the properties that appeal to you? There is an old cliché about the three most important factors of a piece of property—location, location and location.

Some neighborhoods have a certain distinction that attracts buyers, but there are other factors to take into account. A house in a good location may have a few points subtracted if it is located on a busy street. There are buyers who would like to be close to schools, shopping, and churches, but don't want to live across the street from these facilities. You may want an easy commute to your job, but would not consider a location close to the "on" ramp of the interstate. A location close to an airport would be convenient if you are a commercial pilot, but might make it difficult to sell even the most wonderful house.

As you balance all of the factors, remember that a location liability that gets you a great house at a reasonable price will probably require you to pass a similar savings on to future buyers.

#### I would love to be your REALTOR

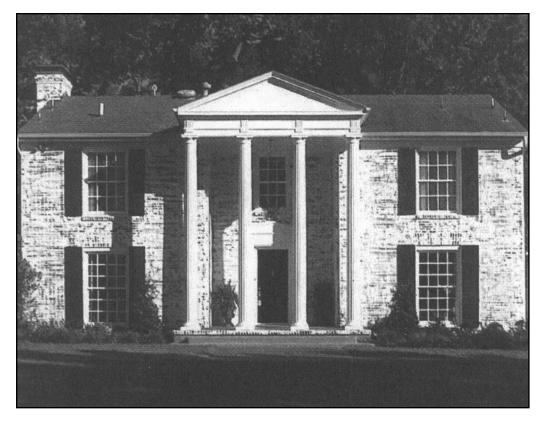

#### Please call me and let me show you what I can do for you!!

After buying and selling homes in east Dallas for over 25 years, I have extensive knowledge of residential real estate, especially in Forest Hills. I have developed a skill at working as liaison between developer, contractors, buyers and residents.

I have renovated and sold over 20 homes in the area including Forest Hills, Little Forest Hills, Casa Linda Forest, Highland on the Creek and Lake Highlands. Almost every one of my properties has sold quickly and they have sold for the top price in the market, several setting records for high sale. I feel that I have perfected my skills at negotiating and can save money for my clients.

I understand the needs and desires of sellers and buyers alike. It is my goal to earn your trust by either helping your sell your house or find you the home of your dreams.

#### **I GUARANTEE NO ONE WILL WORK HARDER TO MAKE IT HAPPEN!**
